Welcome to the **Wokingham Classic Motor Show**, brought to you by **Wokingham Lions Club**. It is a free event, but **donations** to support the charities that Wokingham Lions supports are greatly appreciated. You can donate online here wokinghamlions.org.uk/donate or around the field. We hope you enjoy the variety of cars, motorcycles and other vehicles that we've arranged for attendees to enjoy.

Don't forget – you can vote for your favorite vehicle to receive a prize at the 2pm trophy ceremony here wokinghamlions.org.uk/motorvote.

If you've brought the children don't forget they can join in with our Lion Hunt! How many lions can they find around the show?

An event like this takes a lot of organisation so I'd like to thank our Classic Motor Committee, led by Bob DuGard, for all their hard work in putting it together. We'd also like to thank **Wokingham Town Council**, **Wokingham Borough Council**, their new waste and recycling collection, and street cleansing contractor **Biffa**, and **Volker Highways** for their assistance, alongside the support of our sponsors listed in this programme.

Wokingham Lions are instrumental in organising events such as this throughout the year. As well as the May Fayre we run the [Winter Carnival](#), two [Wokingham Walks](#), the [#WOKY Comedy nights](#) at [Wokingham Theatre](#), [Wokingham Music Club](#), renowned [Quiz nights](#), the [May Fayre](#) and the [Swimathon](#) - we're also one of the service groups responsible for the annual [Fireworks Spectacular](#).

We are a busy and vibrant group of over 40 people. We love what we do because, although it can be hard work, it is fun and helps us all to enjoy a better quality of life. If you would like to get involved, make a difference and help others in your local community by volunteering to assist at such events, please contact us via our [website](#), our [Facebook](#) page, or come and talk to us at our stall in Elms Field. It's an opportunity to broaden your horizons, learn new skills, make new friends and have fun. You will be very welcome.

Meanwhile - enjoy the day.

Gee May, President Wokingham Lions Club

Copper Connexions Ltd

Copper Connexions has provided electrical services since 2008 and have grown from one member of staff to a large team of experienced electricians working to deliver high standards to all customers for:

- Commercial
- Domestic
- Electrical engineering in the power generation industry

We are always looking for new opportunities to provide service and support and welcome any enquiry on how we may be able to assist you with your electrical needs.

We have a great reputation, and work to high standards both with our customers and with site safety.

Anthony was, excellent with his advice and support. He was not pushy with his advice and his work was to a very high standard. Working longer than expected and solving problems that he didn't need to but wanted to. Would highly recommend

Gréât job at very short notice. The whole team kept me well informed throughout the install of an EV car charger. I used the company last year to install a ground spike, new consumer unit and connect electricity to our garden room. Very trustworthy and reliable company.
